shows this tag's overlap against ALL 9 at once, at the cost of more visual complexity than 2a/2b

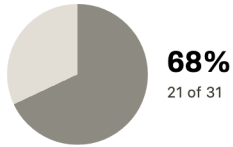

Circulating to address political violence

31
INTERVIEWS

One-line standfirst on what the circulator project is and how to read this page.

INSIGHTS

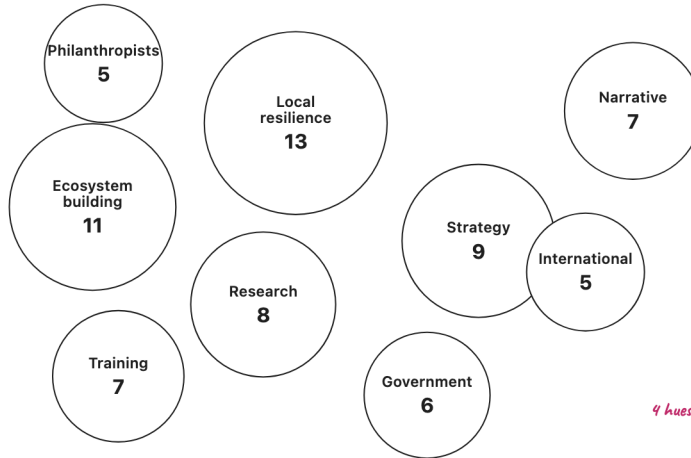

% of participants who found circulator conversations supportive of their work

Derived from filled "support offered" field — flag for direct confirmation.

open Q: ask interviewees directly

BUBBLE FIELD · FORCE SIM (ATTRACT + COLLIDE, DRAG W/ MOMENTUM, WOBBLE ON CLICK)

4 hues from brand palette, ~2 tags per hue

Bubble size = number of people interviewed (sqrt scale)

Key points

Three horizontal bars of varying lengths representing key points.

[View breakdown →](#)

Struggles

Three horizontal bars of varying lengths representing struggles.

[View breakdown →](#)

Support offered

Three horizontal bars of varying lengths representing support offered.

[View breakdown →](#)
